Rich,

I don't want any surprises for you, so I wanted to let you know that I intend to bring 5 people to the "practice sampling event" to be held on 12/29 and 12/30. It will be myself (project manager), Mike Ferrier (sampling team leader), Brian Burris (sampling team leader), Joe Carter (sample management team leader), and Michelle Dallessandro. Michelle will be another experienced START member who will be able to fit in any role given to her. Please let me know if you have any questions or comments regarding the personnel.

Thanks,

Suddha Graves
